Carolyn Sanger assigned guests to call to several members to determine if they still want to join. Members will report to Carolyn.

Ori Parnaby has taken on the job of collecting dues to help treasurer.

She has also taken on being the website liason. Revision of website changes is due by Jan 31 and must be submitted to Ori. After Jan 31, changes will be \$25.00 per hour. Look at categories in which members are listed as well.

#### **Go Month:**

Jean reported the Shredathon was a success!

Iron Mountain reported to her that they shredded 9 tons of paper. There was a great turnout. Donations are estimated between \$2500 and \$3500 and the recipient is The Giving Tree. 14 organizers showed up to help. You know who you are! Thanks to all of you.

Jean said some media members reported receiving requests from their viewers for T-PrO to repeat the event again next year.

Ori suggested having the same event for Go Month next year. The largest drop-off was 40 boxes and Jean will report next month on the recipient of the prizes.

#### **KOLD**

MaryLynn updated us and related her experience on Friday 18<sup>th</sup>.

There are 2 parts to the KOLD gig if you are one of the featured weekly organizers.

You will be interviewed approx every ½ hour for 45 seconds to a minute and in the interim you will be answering questions from visitors to the "Organized '08" blog set up by the TV Station. You will be prepped for this by the Producer, Stephanie Boe.

Blogging and room make over will be also happening each week.

Different categories of blogging questions are assigned to T-PrO members not being interviewed. (You know who you are if not call MaryLynn). When you are there, at the station, you will answer all questions. Mary Lynn reported very few questions came in this week. She also read the assigned dates of who is being featured on what date. Annemarie is next on Jan 25.

Suggestion was to bring canned sound bites or questions that you want Jenny or the male anchorman to ask you. Feed them to Stefanie Boe, she will pass them on to anchorpeople.
